

## Regional Technical Sales – MN/WI

Schmersal USA, a leader in the design and manufacture of machine safeguarding products and systems is currently looking to fill a role in Technical Sales. The successful candidates will work to strengthen our presence with our distribution channel and growing account base of OEM and large end-user customers.

We are seeking individuals who are interested in working in a team environment and aspire to grow our business on a national scale at a management level.

### Desired Skills & Experience

Minimum qualifications include the following:

- 2-5 years of experience in industrial automation sales
- A background in programmable logic controllers, PLC's
- A confident self-starter
- Proficiency in the use of Microsoft Office: PowerPoint, Word, Excel, Outlook, Teams
- Willingness to travel

Other qualifications considered as an asset include:

- A background in Machine Safety
- Holds a degree in Electrical Engineering/Electro-Mechanical Engineering
- Experience with SAP
- Some experience with the use of CRM tools

We are looking for a candidate for the sales area of Minnesota & Wisconsin, to work from a home office in the region.

If you would like to join our growing team, please forward your resume to Craig Minard, Western Sales Manager at [cminard@schmersal.com](mailto:cminard@schmersal.com).

### Company Description

Schmersal is a safety industry leader with 80 years' experience in the design and manufacture of machine safety products, industrial switches, position sensors, and control accessories for a wide variety of applications focusing on ways to protect machinery operators and maintenance personnel from recognized hazards in compliance with current local and international standards, without compromising productivity.

Schmersal is an equal opportunity employer. All applicants will be considered for employment without attention to race, color, religion, sex, sexual orientation, gender identity, national origin, veteran or disability status.
